

Celebrating 50 Years of Ohio Village

This year, we want to take time to reflect on the past 50 years of history in Ohio Village, and all the wonderful memories and experiences that have come about in that time. Ohio Village has welcomed so many amazing visitors over the years, and each one has made the village experience unique and special. We have also been fortunate to showcase many artisans and craftspeople who have brought their amazing talents to our small village. We have seen many new faces, events, and even buildings pop up in the last 50 years. One thing that has remained constant is the unyielding dedication of our village volunteers who, without, we would not be the same. As you visit Ohio Village this year, we encourage you to experience as much as you can. Reflect on the past, engage with those in the present, and look forwards towards the future, as there are many exciting things to come in the next 50-year chapter of Ohio Village! We hope to see you on July 27th for Founders Day to celebrate the anniversary of Ohio Village with much fanfare!
