History Day Roadmap

Student Workshops

We're here to support your students through the History Day process!

Whether they're just learning about History Day, learning how to research like a historian, analyzing primary sources like a pro, or creating their projects – we got them covered!

In-person or Virtual Visits!

Kicking Off History Day 01
Introduction and kickoff to Ohio History Day
02 **Digital Research 101**
The basics of successful digital research

Analyzing Primary Sources 03
How to read a primary source like a pro

04 **Find Your Student Voice**
Highlight your voice while creating your project

Email us for more information or to schedule your FREE visit.
