III. Definitions & Abbreviations

The definitions provided in the NHPA and the regulations at 36 CFR Part 800 apply to terms used throughout this Agreement, including but not limited to “historic property,” “effect” and “undertaking.” These definitions along with common abbreviations and acronyms are outlined in Appendix A for reference.

IV. Identification of Historic Properties & Project Review

In accordance with 36 CFR 800.4, the Grantee in consultation with the SHPO will make a “reasonable and good faith effort” to identify historic properties, per the following stipulations:

- A. For those undertakings with the potential to affect historic properties having religious and cultural significance to Tribes and Nations with ancestral ties to Ohio, the Grantee will consult with the appropriate Tribes, interested consulting parties and Tribal Historic Preservation Officers (THPO) before starting the undertaking per HUD requirements and the NHPA.
- B. If the Grantee determines that an undertaking **only involves buildings** that are **less than forty-five (45) years old** or if the undertaking includes only exempt activities as defined by **Appendix B**, then the undertaking shall be deemed exempt from further SHPO review.
 1. Such undertakings listed in Stipulation IV. B and Appendix B will require no SHPO review under the terms of this Agreement because these activities will generally have no effect on historic properties.
 2. The Grantee will keep documentation of this decision to exempt specific undertakings in its files and compile a complete list of exempt undertakings each calendar year in an annual report to SHPO, as required in Stipulation IX – Monitoring.
- C. In the event the undertaking involves **ground disturbance** as defined by Appendix A as part of a rehabilitation, new construction, site improvement, in-kind replacement or other undertaking, the Grantee will **consult with the SHPO early** before starting the undertaking to determine whether the undertaking has the potential to affect an archaeological property eligible for or listed in the National Register. This stipulation shall not be interpreted to include a limited subset of ground-disturbing activities that are exempt from review, as described in Appendix B.
 1. **Demolition** of existing buildings forty-five (45) years or older is **not** an exempt activity under this Agreement, and the Grantee must submit this activity to the SHPO for review.
 2. **New construction** is not an exempt activity under this Agreement, and the Grantee must submit new construction to the SHPO for review.
- D. If the Grantee determines that an undertaking will involve any activities that are not exempt under Stipulations IV. B, Appendix B, involves a National Historic Landmark (NHL) or has other State or federal assistance not covered under this Agreement, the Grantee will, in accordance with 36 CFR Part 800, consult with the SHPO before starting the undertaking.
 1. The Grantee will submit the SHPO's Section 106 Project Summary Form or documentation outlined in Appendix C to the SHPO for review.
 2. Examples of other funding sources subject to SHPO review include but are not limited to the Federal Historic Rehabilitation Tax Credits, Ohio Historic Preservation Tax Credits (OHPTC) and/or Certified Local Government (CLG) grants.

Non-Entitlement Programmatic Agreement (expires December 31, 2029)

3. If an undertaking involves a NHL as defined by 36 CFR 800.16(p), the Grantee must “to the maximum extent possible, undertake such planning and action as may be necessary to minimize harm” to the NHL per Section 110(f) of the NHPA which establishes a higher standard of care and protection when a project has the potential to directly and adversely affect a NHL. The Grantee will submit the SHPO's Section 106 Project Summary Form or documentation outlined in Appendix C to the SHPO for review.
- E. The SHPO will respond, in accordance with 36 CFR Part 800, to the Grantee within thirty (30) days after receiving the project documentation by stating that:
 1. The SHPO concurs with the Grantee's decision about eligibility and effect;
 2. The SHPO disagrees with the Grantee's decision about eligibility and effect; or
 3. The SHPO needs more information in order to concur or disagree with the Grantee's decision about eligibility or effect.
- F. If the SHPO determines and the Grantee agrees that the undertaking will have no effect or no adverse effect on historic properties that are eligible for or listed in the National Register, the Grantee will retain the SHPO's letter in its project file and the Section 106 review process, in accordance with 36 CFR Part 800, will be complete.
- G. If the SHPO determines and the Grantee agrees that the undertaking will have an adverse effect on historic properties, the Grantee will follow the standard mitigation process with SHPO and interested consulting parties to create and implement a Memorandum of Agreement (MOA), described in 36 CFR Part 800, to complete the Section 106 process.
- H. After SHPO review, if an undertaking changes, the Grantee will consult in a timely manner with the SHPO to determine if further SHPO review is required.
- I. Any disagreements regarding the National Register eligibility of historic properties may be resolved through the Grantee requesting a Determination of Eligibility from the Keeper of the National Register of Historic Places, as described in 36 CFR Part 63.
- J. Any disagreements regarding project effects shall be resolved as described in 36 CFR Part 800.6. The Grantee or SHPO may elect to invite the ACHP to participate or provide its opinion if they determine it to be appropriate.

V. Post Review Discovery

- A. If historic properties are discovered or unanticipated effects on historic properties found after completion of the Section 106 process, the Grantee will follow the process established at 36 CFR Part 800.13. In all cases of discovery or unanticipated effects, the Grantee will contact SHPO via email to Section106@ohiohistory.org within forty-eight (48) hours and provide sufficient information so that SHPO can make meaningful comments and recommendations.
- B. If human remains are discovered during the development or construction of any project subject to this Agreement, **STOP WORK** in the area of the discovery. The Grantee will contact the County Sheriff and/or County Coroner immediately upon discovery and contact SHPO via email to Section106@ohiohistory.org within forty-eight (48) hours or sooner. The Grantee will also consult with the State, the SHPO, HUD and the County Sheriff and/or Coroner to develop and carry out a treatment plan for the care and disposition of human remains.
- C. **If the human remains are determined to be of Native American Indian origin, the Grantee will develop a treatment plan in consultation with appropriate federally recognized Native American Indian Tribes, HUD, the State and the SHPO. The Grantee**

If installation requires a physical change, the Grantee must consult with the SHPO to confirm if the installation is considered an exempt activity. (Example: The replacement of old park equipment and installation of new equipment that requires new attachments and ground disturbance would not be considered exempt under this stipulation. The Grantee would need to send this project to the SHPO for review.)
